Dear Brothers and Sisters:

The next **Regular Monthly Meeting** will be held on **Saturday, March 19th, 2016** at the OFL Building, 15 Gervais Drive, Don Mills, Ontario. The meeting will commence at 9:30am.

The **Sarnia Area Information Meeting** will be held on **Wednesday, March 23rd, 2016** at the Pipefitters Hall on Confederation Street, starting at 5:00pm (4th Wednesday of the Month).

There will be **NO** Hamilton Area Information Meeting in March.

The Notice of Motion for the purchase of Two Thousand 75th Anniversary Pins was passed at the February 20th, 2016 Regular Monthly Meeting. Once Local 95's Office is in receipt of the Pins, the Office will mail out a pin to every active member.

At the last Regular Monthly Meeting, the Trans-Pacific Partnership was discussed, focusing on how Section 12 of the TPP will severely hurt ALL construction workers in Canada. We ask you to sign the online petition against the TTP, and also to contact your Federal MP and tell them not to go through with the Partnership.

At the February 20th, 2016 Regular Monthly Meeting, a motion was passed to offer Health & Safety and Job Steward training. The instructor costs and material will be paid by the Union; but the member's time will NOT be reimbursed. If anyone is interested in taking any of these courses, please contact the Union Hall. Once we have enough members interested in an area, the Union will put together a class.

At the last Union Meeting, President Gord Cochrane struck a Resolutions Committee. All interested in partaking in the Committee, please contact Gord Cochrane at gord.cochrane@insulators95.com.

As our organization grows, Local 95 is continuously being approached by companies that offer services to our members. Local 95 does not object to saving members' money, and therefore passes on the information for these services to our members. In doing so, we strive to provide our members with the opportunity to save where applicable, but please note that each service differs from member to member. Where one might save, another may be better off without it. **There is NO obligation for you, as a member, to participate – it is solely for your benefit. Hopefully they can save you money!**

LABOUR DAY JACKETS – 75TH ANNIVERSARY:

To help minimize costs, we are requesting that these jackets be pre-ordered for your pick-up at the Labour Day parade. All **active members** are eligible to receive a **free** jacket upon participation at the Labour Day parade. To reserve your jacket, please call the Union Office or email dimitra.anastasiadis@insulators95.com, no later than **April 30th, 2016**. REMINDERS

2nd REMINDER – RAIDING:

Once again, please contact the Union Hall immediately should any other trade or labour organization approach you to sign any documents. It is disheartening to see organized labour attack each other instead of having a cooperative effort to focus on those who oppose us.

2nd REMINDER – RULES AND BY-LAWS:

The Local 95's Rules and By-Laws are now open for amendment. Please submit any changes to officers@insulators95.com or mail them in to the Union Hall at the address listed below. Please have all submissions in by **April 30th, 2016**.
