Dear Brothers and Sisters:

FRIENDLY REMINDER:
There will be NO Monthly Meetings during the months of July and August

Ontario College of Trades Membership Registration

The Ontario College of Trades is requesting all Journeymen to be registered as members. A motion was passed at the March 2015 Meeting, allowing Local 95 to cover all costs associated with this registration [there will be no cost to the member]. Registration forms have already been mailed out. Please sign the back of the form and return it as soon as possible. If you are a mechanic and have NOT received a registration form, please contact Veronica Brenes at the 905-944-0110 x221 immediately!

PCCC Reference Cards

Per the International Association of Heat and Frost Insulators and Allied Workers, the Professional Craftsman Code of Conduct is now printed on cards, and members of Local 95 are required to carry a Reference Card at all times on a jobsite. A PCCC Reference Card is enclosed with this letter.

Audits:

The audits for 2014 have been completed. If any member would like to see the audits, please call the Union Hall to make arrangements to come in and review.
